Product Specification Sheet

Travel USB 2.0 4-Port hub with notebook light

Part #: ACH76EU

Product Description:

The Targus Travel USB 2.0 4-Port Hub with Notebook Light allows you to simultaneously connect up to 4 USB devices such as mice, keyboards, memory drives and MP3 players whilst also illuminating your keyboard. With a unique integrated light that connects to your side USB port and swivels 180 degrees, you can maximize your keyboard illumination. Plug and Play functionality ensures this hub is simple and easy to use whilst the hub draws power from the notebook ensuring a bulky AC adapter is not required on your travels.

Product Features and Specifications:

- Expand your capabilities - Connect up to 4 USB devices to your notebook, while simultaneously providing illumination to your keyboard
- Integrated notebook light - Notebook light swivels 180 degrees to provide maximum keyboard illumination
- Slim design - Portable, compact design makes this the perfect travel companion
